

.w - wie waagrecht.
Leitsystem zur Büro- und Hotelbeschilderung.
Klare und einfache Handhabung in bestechender Form.

Aluminium Türschilder mit ESG Glaseinlagen oder antireflektierendem Acrylglas.
Nutführung „waagrecht“ (W), oben oder unten, jedoch auch links oder rechts möglich.
Durch den geringen Wandabstand droht keine Verletzungsgefahr.

.w - like horizontal.
Guidance system for the office or for the hotel branch.
A clear and easy handling in a great form.

The aluminium door sign is with tempered safety glass inlay or with the anti reflection acrylic glass. The nut direction is horizontal below or at the top, but it is also possible to have it on the left or right side. The wall distance is little so there is no risk of injury.
